

The Grey Ghost

Typical ATM Card from Heaven Scam – this idiot gets kind of pissed when I ask him to please explain where is the money coming from and why is it meant for me. I guess in a perfect world, people just accept money and pay the fees with no questions asked. I just love this moron’s name too – after all, who wouldn’t trust a reverend father?

I never said I don't need the money but you have still not answered my questions. Who is this money from and why is it being sent or transferred to me? I don't know Marilyn Greer, so why am I receiving her money? Instead of trying to proceed with this transaction - please answer my questions because I am totally confused! We seem to be starting this transaction in the middle - I don't know how this person got my name or how I was named beneficiary to these funds. I never gave anyone my phone number and I don't even own a cell phone, so I don't know what that is all about. Can you see why I am confused? Especially because you called me your "Bread Ring" – what the hell does that mean? I'm sorry but I'm not gay, so you'll have to look elsewhere for your cheap pleasures. You sent me an email about transferring this money to me and I don't know why or even who it is from. Please answer my questions.

Greg

Attention Greg

I don't know what a "rung transfer" is, but it doesn't sound like something I would want. Very unpleasant. Is that like a rim job? Actually, I prefer the Dirty Sanchez. So, what do I have to do next?

Greg

There is the information you requested. What is a ATM Inter Switch Card? I have never heard of that before.

Thanks,
Greg

On the ATM Card - my name is spelled wrong - my name is GREG WILSON, not GREY WILSON. Looks like you need to fire the moron who has the simple task of writing the name on the cards. I contacted the Central Bank of Nigeria to make the change, and they informed me that I do not have an account with them. I gave them my name and the account number and they said neither is valid for any account.

Greg

This is to let you know that your mail has been received and the content is well noted, talking of the mistake name on the ATM CARD has been corrected, as soon as possible by reprogramming of the card because we find the mistake before your respond to us.

However why the Central bank told you that you did not have account with them is because of security reason which you know that a lot of Scam is going on all over the world today, so we have not yet reactivated your card because it will deliver to you by the delivery company we did not trust any one note that the ATM and the password that you will use to operate it that is why my assurance to you as a Rev Father is that as soon as you send the delivery fee and your card will be dispatched to you then immediately you told me that you have receive your card then we will then reactivated the Card here in our System for your own private use over there and all over the world.

Note that your card is ready here waiting for the delivery fee my advise to you is that you should go ahead and make the payment immediately today so that you will receive your ATM card on 27th of this month been this week Saturday and note there is no much time to waste because the year is almost getting to then end and the file will hand over to the FMF as was instructed to me as a honest Rev Father.

This is the information that you will use to send the money to him through western unoin money transfer or money grem,

When you didn't return my email promptly, I called the Central Bank of Nigeria again and explained my situation to them. I asked them about the \$2,500.00 when they told me the max was \$200.00. They told me that most likely that you are a scammer and just trying to steal my money from me. They said they don't issue ATM Cards that can withdraw that amount and that you were a liar and a thief (which explains why you don't know how to spell common English words). They also said that they use the regular mail to send out ATM Cards, not FedEx or DHL.

Greg

This is to let you know that your mail has been received and to let you know that I don't understand the meaning of this insult that you are referring to me because I bring out my time to explain to you on how your ATM will be used by you.

By the way who is this Central bank that you are calling that is discouraging you and telling you that I am a thief? Hope you are not mistaking by insulting a man of God remember that those that cast man of God shall be cast away, I am a man of God I have no reason to lie to you but you are now you are calling me a liar because some group of Scammers is dealing with you for you to believe on them so that they will have your money and through you like a fool.

However your ATM card was program in a rate of \$2,500.00 per day but you don't want to understand, in AMERICA ATM marching was program in any teller to be withdraw by limit \$1,500.00 par day but this is whole world program and is in Dollar so we made it \$2,500.00 and \$1,000.00, note that if you are not yet convince about it go ahead with those scammers that want you to believe them after everything you will not receive your fund we are not begging you to have your fund but want to fulfill as was directed and as a man of God.

Note that I will note like to receive such a rung world from you again because you try it my God will be angered with you because I am a really man of God that control Parish so if you like go and send the money of \$250.00 immediately and your card will deliver to you by FEDEX COMPANY of DHL which the tracking Number will be issued to you so that you will be monitoring it till it get your home.

The bank I contacted is the Central Bank of Nigeria - the bank you claim that I have an account with. I contacted them via their official website (www.cenbank.org) to inquire about the account which they said I did not have. They also told me that they don't issue ATM Cards with the specifications that you describe. So either the official Central Bank of Nigeria is lying, or you are. Which is it?

Greg

I guess your silence is proof that you are a liar and a dirty, rotten, disgusting thief. Pretty pathetic posing as a man of God to steal from innocent people. It will be nice to know that you will burn in Hell for this. I guess it's not hard to understand why the whole world hates you and your filthy, disgusting continent.

What is this world coming to? Can't even trust a Reverend Father, who for some reason works at a bank that gives out free ATM Cards to people on the other side of the world.
