

Twas Not To Be

This was a re-bait of a Chat Scam I had with her (Greg Wilson) – she contacted me via Yahoo Personals and it was obvious that she was a scammer. The Chat Scam was fun and I eventually had her email address shut down but she still continued to write “Thomas” from a new yahoo mail account.

I saw your profile on Yahoo Personals. How are you today? Get back to me if you are interested in talking.

Thomas

Hello,

I am So Glad to hear from you, I'm so glad to hear such a words from you, well I don't play games and I am looking for a serious relationship with marriage being the ultimate goal! I am caring; compassionate; respectful; and I consider myself a gentle person...I treat men with respect and when I am with someone, I am totally dedicated to that person. Why should I be with you - well, only time will tell if this is our destiny..The last serious relationship that I was in was about 2 years ago! I don't sleep around and right now, I am still single cos i know each one of us have the ability to love. For this is what life is based on, cause without love our lives will end sooner and unexpectedly. I am a single lady,never been married,no kids,I work in a dress shop as a Sales girl,I am very outgoing,communicative,easy going,outspoken,I am also a very Romantic type,love to cuddle,hold hands while walking,I'm trustworthy so far as people tell me maybe I'm just laid back,lol....I also tend to have a good heart with so much of love to give and to recieve.I am a lone child as well,parents are late now though,lost them to an auto accident sometime back,presently I live in a Church since the rent payment was unbearable and I can't get to pay up,I love watching Movies,Television,listening to Music,Singing,Reading,Writing Poems,Swimming,playing Basketball.Now I guess a question will come to your mind(Why is she Single)isn't it...ok ok,I used to have a boyfriend but I broke up with him,I caught him on bed with my best close friend,you know how that is,it's a SHOCK,lol...so this led me to break up with him,was I right by that decision???I seek for a complete honest man,who will come home to me,love me,adore me,a strong man with a strong heart who will want our relationship to last forever,a compassionate man,one with good heart and know how to handle matters,I want a lover not a fighter,lol...Hmmm I guess enough is being said about me.I am in Nigeria, been to States but back in Nigeria now, and i don't believe in age,distance or race, what i believe is Love, well i am hoping to hear from you.

I Need Love

In the first bait, she made the mistake of saying she lived in Akron, which is a city close by to where I really live and that I know well. The first bait ended because I accused her of lying to me and tried to get her to fess up.

I don't understand what you are doing in Nigeria. Please explain this and why you say you're from Ohio???

Thomas

Hello Thomas,

How are you doing this pretty morning, my Mum is from Ohio, while my dad is from Nigeria, ever since i lost my parent i have been staying with my granny, but willing to relocate, distance, age race do not matter to me at all, I believe we can walk things out, hope to hear from you.

Tracy

You still haven't explained why your Yahoo Profile says Akron, Ohio if you live in Nigeria. Are you planning on moving back to Ohio? When?

Thomas
