

Unprovoked Attack

This fool contacts me, and at first I don't even know if he is an internet scammer or not, but I immediately go on the offensive. After about ten minutes, I am sure he is a scammer, because there is no way any self-respecting human could put up with the abuse I heaped upon him. Read and enjoy!

debbiedawson0404: stupid black goat fucker

michealstan89: Lord, I come to You with a repentant heart. Please forgive me for the things I have done.

Please hear when I call out to You. Lord, You are my righteous God. You can make my life right and You alone can free me from my grief. I know that You can relieve my distress. Father, have mercy on me. Please hear my prayer. I am weak from battling the sins that come at me and the thoughts of my own mind. My body aches to be freed from the troubles that this world brings. Lord, I will pray often and I know that You will hear my voice, even when I speak to You in my silent thoughts. To You, I am crying out and my prayers are now before You. Father, I give to You my problems, I do not want them. Father, please restore myself to You. Save me from this world and from myself.

debbiedawson0404: stupid black goat fucker

michealstan89: I know that You have compassion for Your children, so please save me. Those who do not seek Your free gift of salvation do not know You, but I do and I thank You. Father, I thank You for Your patience.

Father, I am weary from worry and my sadness never seems to cease. I will put my trust in You, for I know that You will stop the overwhelming grief that I feel and not allow it to consume my life. Leave me alone, evils of this world, for the Lord has heard my cry. Father, show me Your ways and teach me Your paths. Lead me in Your truth and teach me. You are the God of my salvation and on You I will wait. Teach me Your way, O Lord, and make my path smooth. Protect me from the evils of this life and guide me through all my days.

debbiedawson0404: stupid black goat fucker

michealstan89: Father, thank You for hearing my plea. I know You will receive my prayer. Father, consider and have compassion on all who read these words, and all who hurt, in this troubled generation we live. Keep them in the center of Your love, as You have done for me. In Jesus' Name, Amen.

michealstan89: And i also understand that if someone points out Ur mistakes b happy that at least someone is there... who is interested in Ur betterment

michealstan89: Being a good person does not depend on your religion or status in life, your race or skin color, political views or culture. It depends on how good you treat others.

I don't think this is the same scammer I talked to the first time, because this idiot seems to get mad at all of the cursing I did. The bulk of the next chat session is this fool logging in and out over the next few days. He tires to talk to me, then logs out, then logs back in later.
