

Windtalkers

This wasn't the greatest scambait - I made some witty remarks that they didn't catch but it ended prematurely, possibly because I said, "...need proof because the amount of scams on the internet...".

Dearly Beloved,

I am the above named person but now undergoing medical treatment now in Europe. I am married to Dr. Gabriel Lauren Peters, AN EXPATRIATE ENGINEER who worked with Shell Petroleum Development Company (SPDC) AND AN oil merchant / contractor with The Federal Government of Nigeria for nine years before he died in Malaysia in the year 2001. we were married for eleven years without a child. He died after a brief illness that lasted for only four days. Before his death we were both born again Christians. Since his death I decided not to re-marry or get a child outside my matrimonial home which the Bible is against. When my late husband was alive he deposited the sum of \$27.6 Million (twenty-seven Million six hundred thousand U.S. Dollars) with one finance/security company in Nigeria. Presently, this money is still with the Security Company. Recently, my Doctor told me that I would not last for the next three months due to cancer problem. Though what disturbs me most is my stroke. Having known my condition I decided to donate this fund to church or better still a Christian individual that will utilize the money shared to THE RED CROSS, CHILD CARE TRUST or MOTHERLESS BABIES HOME and AIDS ORGANIZATION IN AFRICA, EUROPE AND AMERICA AND ALSO USE this money the way I am going to instruct here in. I want a church or individual that will use this money to fund churches, orphanages and widows propagating the word of God and to ensure that the house of God is maintained. The Bible made us to understand that blessed is the hand that giveth. I took this decision because I don't have any child that will inherit this money and my husband relatives are not Christians and I don't want my husband's hard earned money to be misused by unbelievers. I don't want a situation where this money will be used in an ungodly manner, hence the reason for taking this bold decision. I am not afraid of death hence I know where I am going. I know that I am going to be in the bosom of the Lord. Exodus 14 VS 14 says that the lord will fight my case and I shall hold my peace. I don't need any telephone communication in this regard because of my health, and because of the presence of my husband's relatives around me always. I don't want them to know about this development. With God all things are possible. As soon as I receive your reply I shall give you the contact of the Finance/Security Company in Nigeria AND Certificate of Deposit which you will need to claim the fund and deposit it in your own custody. I will also issue a letter of authority on your behalf to the security company that will empower you and my only relative and the original- beneficiary of this fund. I want you and the church to always pray for me because the lord is my shepherd. My happiness is that I lived a life of a worthy Christian. Whoever that wants to serve the Lord must serve him in spirit and truth. Please always be prayerful all through your life. Any delay in your reply will give me room in sourcing for a church or Christian individual for this same purpose. Please assure me that you will act accordingly as I stated herein. Hoping to hear from you. I know my God has directed me to you through this

medium. The lord will give you the power to accomplish this great mission he has called you and you will live to declare the works of the lord in Jesus name.

Remain blessed in the name of the Lord, Mrs. Samiha Gabriel

NB: Beloved Make sure you reply back through my private email address below because of my late husband relatives: Also note that this should be kept between the two of us until you finally have the fund in your possession and safe custody.

E-MAIL: (mrsgabriel1944@hotmail.com) .

I will send you a picture of myself here in the hospital, when i hear back from you soon with all the necessary documents to process the shipment of the fund to your address for safe keeping. Always remember that God ways is different from that of man. Do not let your heart turn aside to his ways because vanity upon vanity all is vanity.

Hello Miss Gabriel;

I just finished reading your long-winded, pre-written email. I must say, it almost brought me to tears (literally). You are doing such a great thing here; you should be sainted. If there were more people in the world like you - this would definitely be a different place (and I don't just mean that in a bad way). I must ask this though - why would you contact someone you don't know via the internet to do this great work. Isn't that a little dangerous? A smart person would just donate it all to charity. Ah well, I guess we can only do what our mental abilities allow us to do.

Dearly Beloved,

I have received your mail and I must first of all show my appreciation over the fact that you have given heed to the entreaty of a dying family. You have gladden my hart that you are worthy of the task and May the lord guide and direct you on how best to use this fund for the benefit of the poor. I have to thank God at this moment for his direction in regards of this mission, God want me to complete this mission, but i know you may be wondering why i contacted you, actually when I heard from the doctor that my condition has become so bad and that i have been diagnosed with Esophageal Cancer. I decided to reach out for a Christian individual , that will utilize this money as I will instruct therein, and for the fact that God has chosen you for this great task, God will guide you through this great mission which he has bestowed on you. My husband earns these funds but he died and left everything behind and I will join him soon in Jesus name. When I discovered this ailment, it dawned on me that I had been living a very vain life. Then the need to affect the lives of those in need became very paramount in my thoughts. This appears to be a case of mercy after death, as I no longer have the strength to do those things I used to do when I was still very full of life. My dear friend, in my resolve to actualize my dying wish, i have been able to support charity to a very large extent around the Middle East and Europe . Then my health became a sorry tale, that at this particular point in time, i live at the mercy of various drugs and operations, which certainly cannot remedy anything. My close

family members are however not happy with the way i have disbursed everything of mine to the motherless babies and the less privileged. That was why they failed to help me actualize my dream of supporting charity. They held for themselves the funds i made available and went as far as even trying to terminate my life when the hour (though very short) has not come. All relationship with me has been severed, and they are of the opinion that the last of my fortune has been spent. Incidentally, the sum of twenty seven million six hundred thousand dollars (United States) lies in a security company in Europe , and well packaged in a consignment with a security company. That is the last i have here on earth, however, I am yet to pay my medical bills and some other expenses pending when i shall be no more. These funds I wish to entrust to you, to help propagate the works of charity wherever your location is . By so doing, i would need your utmost sincerity and honesty to carry the venture along successfully. It would be required of you to furnish me with YOUR FULL NAME, CONTACT ADDRESS, TELEPHONE AND FAX NUMBER, to enable me put a letter to the security company, making you the eligible beneficiary to the funds under their custody. Also once this is done, you shall make arrangements with the Security Company on how the funds would be transferred to your location. I beg of you to deal with me honestly and render me your assistance to the fullest of your capacity. You would be helping a dying family. Most importantly you would be touching the lives of a huge number of people. I hope I would be able to count on you while I wait impatiently for the time to come. My bones are slowly cleaving to my skin. I contact you because that is the only way I can get some to trust. Please contact me with your information immediately you receive this email from me. I am not allowed to use the computer here but with the little girl by my side, I am sending you this mail and hope you get it in good faith. Also note that you will be responsible for the shipment of the consignment to your destination from the Security Company. I have also set aside TWENTY-FIVE 25% of this fund for your assistance and good Will. I hope to hear from you as soon as possible. I have decided to attach a copy of my photo for you to see me and I will forward all necessary information and contact of the security company to you as soon as i receive your information. I will send a letter of authority to the security company on your behalf after receiving your full information, you will also contact the security company as the new owner and my beneficiary of the two trunk boxes and pay for the speedy delivery of the boxes to your home address without any hindrance. You will leave to declare the goodness of our lord to others when you finally have the fund in your possession.

Waiting to hear from you.

Warmest Regards,

Mrs.Samiha Gabriel

Your wrist must really be aching from all that copying and pasting. My wrist hurts too, but for different reasons. I asked you in the first email I sent - why don't you just donate it to a Christian Church? It seems to me that would be much easier. I believe in your work, and I wouldn't even think of accepting any money for this. But why are you trusting some individual you found on the internet instead of giving all the money to a church? That doesn't make any sense.

Greg

Dearly Beloved,

It would be required of you to furnish me with YOUR FULL NAME, CONTACT ADDRESS, TELEPHONE AND FAX NUMBER, to enable me put a letter to the security company, making you the eligible beneficiary to the funds under their custody. Also once this is done, you shall make arrangements with the Security Company on how the funds would be transferred to your location.the doctors are placing me on radiation/proton treatment and chemotherapy, i might have time to communicate with you always.

Waiting to hear from you.

I received your email with the security company's info on it. I must say, the death certificate and deposit certificates have to be the prettiest official documents I have ever seen! It's like a third grader created them in Art Class. Very pretty.

Anywho, I contacted the security company so I am waiting to hear from them. Just wanted to keep you informed.

Hello;

I would have loved to see how you "swung into action" as you have said in your last email - that would have been a hoot. Before we proceed, I felt that we need absolute trust between us. I would like proof of your identity and proof that the money actually exists in the form of an Account Statement. Once I receive this, I will proceed with your requests (my ID, plus whatever else you need). Due to the amount of scams over the internet, I'm sure you'll see that this is not an unreasonable request. Once I get your details, we can proceed. Thank you very much and I look forward to completing this business transaction.

Greg Wilson

I just talked to the person at the Security Company and everything seems to be going ok. I told them I was going to have my lawyer contact them because I don't know a lot about all of the procedures and things required for this transaction. I hope you're feeling better. You know, part of your problem with your sickness might be your long-winded nonsensical emails that are almost impossible to read - just a thought.

Greg

Dearly Beloved,

The joy of the Lord is your source of strength, Keep yourself full of His joy by meditating on the goodness and promises of God. Be full of the joy of the Lord. You'll soon experience supernatural strength and discover the victorious life God has planned for you. I bless you today. With the fruit of my lips I give You thanks and Praise all day long. May the words of my mouth and the meditations of my heart be pleasing to You today. I might not have the time to write you but always remember that my spirit will always keep you going. I don't know how long I have here on earth but I pray to meet with you when you finally receive the fund from the security company. do what ever you can to receive the fund from the security company.

I believe in you and May God continue to bless you.

Mrs. Samiha Gabriel

Wow, nice email - that almost means something to me. I haven't heard from the Security Company in a while - what is happening?

Greg

let me know that you have concluded all arrangement with the security company this day, write back with some good news.

They won't return my emails. Can you contact them for me?

Greg

Unfortunately, that was the end of this bait. The security company would not return my emails after I asked for proof, and Miss Gabriel stopped after the last one. I am assuming that the security dude scammer clued her in that I was just fucking with them or not worth it. I'm kind of glad though, at least I would have to read those long-winded, moronic emails from that slut Miss Gabriel anymore.
