Greg's (3:59 PM): just one more thing...

woodland\_janet (3:59 PM): go ahead

Greg's (4:00 PM): the world would be better off without you - cut your own throat, you piece- of- shit 419 scammer

woodland\_janet (4:01 PM): have a great day

Greg's (4:01 PM): whatever monkey- man

I see her online so I decide to end it...

Yes, I could have wasted a lot more time with her – the one thing about Chat Scams is that a lot of my time is getting wasted too. With emails, I fire off 12 to 15 in the morning and I'm done – takes me 30 minutes. These freaking chat sessions could be hours...

I wish this was a better kiss-off – next time I'll invoke some pain...
